Headline:
Mostly cloudy with occasional rain.

Today:
Mostly cloudy with occasional rain and drizzle. With light winds some coastal fog and low cloud is expected. Drier and perhaps brighter later in west. Still feeling quite warm and muggy. Maximum temperature 19 deg C (66 deg F).

Tonight:
Perhaps a little drizzle in the east this evening otherwise dry, the cloud breaking up more during the night. The odd fog patch around dawn. Minimum temperature 12 deg C (54 deg F).

Thursday:
A dry morning with some good sunny spells and becoming quite warm and humid. Then becoming cloudier during the afternoon with some heavy rain. Maximum temperature 22 deg C (72 deg F).

Outlook for Friday to Sunday:
Rather cloudy Friday with further outbreaks of rain. A good deal of dry bright weather over the weekend but the chance of some showery rain.
